*JULY 2011 ~ A MINISTRY NEWSLETTER FROM CHUCK BURNETT ~*

**LILIAN'S REPLY AFTER I SENT MY MEDICAL TEST RESULTS:** Hi Chuck: Sorry that I didn't e-mail you and told you all things at Anzhong. I need to plan all the summer projects, the plans of junior high school students and still need to prepare all the stuffs about Saturday school. I don't even have time to study my English.

Elina had come back to church, and Dan, James had graduated from school. Other students will have the final test on 6/23 and 6/24. I'll translate your mail into Chinese and let all people know, and we'll pray for you.

Take care~!!! Lilian

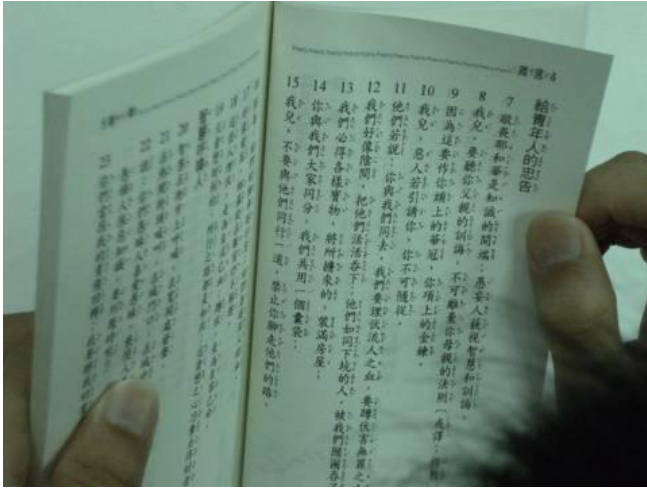

**ME:** I was a little concerned when I first got this email because it sounded like Lilian wasn't getting any help at all. But the news about Elina, Dan & James cheered me up. Elina had quit coming to the Elementary Study Program, Youth Group and to church on Sundays. When Lilian wrote "come back to church," this meant everything that she had been attending before. And when she wrote Dan & James had graduated from school it meant they were going from Elementary School to Middle School, or from 6<sup>th</sup> grade to 7<sup>th</sup> grade.

**LILIAN'S JULY 13 EMAIL:** Hello Chuck: We've started our summer activities since last week. Everything is fine here. I suggested that we should let these kids learn to do something to help or offer some services for people at An Zhong, not just always receive something from others (during the meeting of English Program). Everyone agreed with me.

I've decided to teach them to do key chains with clay, and maybe we can give our presents to "fathers" on Fathers Day. (Actually it's on 8/7<sup>th</sup>) I also got some books (It's about God's words-Proverb.) from the foundation, so I play the piano and sing to worship God with kids in the early morning, and then I ask them to read those books. After that, we start all our activities. Give you some pictures and you can also join us~!

Is everything o.k. with you? May God bless you and good luck! Lilian

**ME:** Praise God for Lilian's words "Everything is fine here." Those words and the pictures told me that our English Program is going full board while I am in Elko. As I said above I was a little concerned when I got her first email, but that concern has been wiped away. Lilian **continues** to teach our students in different ways to help people, to make crafts, sing hymns, read God's word and pray. (Picture: Elina, Lilian, and part of Bernie working on the computer.) God is good! God is good all of the time!
